Introduction

Who says Scouting has to stop just because we can't go out?

To encourage everybody to Keep Calm and Scout On, Scouts Hereford and Worcester have come up with the Shirejammin' @ Home 2020 badge initiative!

The criteria to complete the badge is to do one activity relating to each of the nine sections.

Under each heading there are a number of different ideas that you could do for that section however these are not definitive lists and if you are able to think of something that is on a similar footing then that is also acceptable.

Make sure you stay safe when completing these challenges. Young People you may need to check with your parents to make sure they are Scouting at home in the right way.

Once you have completed the challenges you can let the Shirejammin' Team know by submitting your evidence on the website.

Good Luck.
Have Fun.
Stay Safe.
